

DP ORIENTATION PROGRAMME

9th July , 09 was the maiden day for DRSIS to have the formal interaction with DP students and their parents This date will ever remain embossed in the history folio of DRSIS .The first cohort of IB Diploma students received a warm welcome by the IB faculty and school administration.

The orientation began with a welcome note by the principal, DRSIS followed by a presentation by the IB Diploma coordinator. The orientation emphasized on curriculum , assessment , academic honesty , various core components of IBDP course like CAS (Creativity , Action , Service),TOK (Theory of Knowledge) and EE (Extended Essay) . The emphasis on importance of discipline was equally signified.

Presence of parents of all IBDP students was much appreciated .The healthy and cheerful interactions of parent community , IBDP faculty and students were commendable and quite encouraging for the school.

Heartfelt thanks to the parents for their participation and entrusting DRSIS with the responsibility of their child's future.
